

**Young Thinkers of York, Inc.**

Ray Ames, Executive Director

7 E. Market Street, Suite 201

York, PA 17401

717-378-4440

Dear Potential Sponsor,

Young Thinkers of York's *FIRST* LEGO League (FLL) all-girls robotics team, the RoboThinkers, is asking local businesses and organizations for their support! FLL is an international STEM robotics program that provides our students with unique and exciting opportunities to learn about science and technology through robotics. The RoboThinkers are the only competitive FLL team in the City of York. This is a free program we offer to York students ages 9-14. We are asking you to help us connect our York students with a brighter future.

Our program is much more than just building and programming robots. Through the preparations for our competitions, our students develop valuable life skills that they will be able to use for a lifetime, such as public speaking, collaboration, critical thinking and problem solving skills. It only takes that one life experience to leave a forever lasting positive impact on a young person's life.

Your sponsorship will help offset the costs of registration fees, team shirts, robot parts, mission field kits, travel expenses, team building activities, and much more. With the gracious help from our community, we will be able to proudly represent the City of York.

Please review the table below about how your organization will receive recognition for your sponsorship.

Sponsor Levels	Green Brick	Blue Brick	Red Brick
	USD \$2500 <span>1 Left</span>	USD \$2000 <span>2 Left</span>	USD \$1500 <span>5 Available</span>
